

BIBLIOGRAPHY OF NEPALI MUSIC

by
Ram Sharan Darnal

Publications started in Nepal in 1950. Prior to this year, Nepali texts were published outside the country. Since 1950, four journals on music have appeared in Kathmandu: "*saṅgīt Samaj*"; "*Saragam*" with only one issue; "*saṅgīt-Sarita*", four volumes, and *Bāgīnā*, 24 issues. These journals could not survive principally because of economic reasons. There is not a single periodical on music presently published in Kathmandu. Many articles devoted to music can be found in the Saturday issues of the *Gorkha Patra*.
