

The *European Bulletin of Himalayan Research* is the product of collaboration between academics and researchers with an interest in the Himalayan region in several European countries, and has appeared twice yearly since 1991. It is edited on a rotating basis between France, Germany, and the UK. From 1999, the British editorship of the EBHR will be run as a collective, presently including ~

Ben Campbell	University of Manchester
William Douglas	Oxford University
David Gellner	Brunel University
Michael Hutt	SOAS
Christian McDonough	Oxford Brookes University
Joanne Moller	University of Hull
Maria Phylactou	
Andrew Russell	University of Durham
Surya Subedi	University of Hull
